

ROLLING HOME

WORDS & MUSIC BY STEFANIE STEVEN 2017

Far away but not alone
travelling a rolling home
having fun by being free
close to nature you and me
you and me, you and me

Do what people dream about
climbing mountains running 'round
lie on beaches and swim in the sea
the best things in life - are completely free
completely free, so free

Living in a rolling home -huhuhuhuhu
driving where we want to go -huhuhuhuhu
if we like it we might stay -huhuhuhuhu
we don't want it any other way

Happiness has just begun
surfing, diving endless fun
we don't need a lot of stuff
shorts and T-Shirt that's enough

We can charge our batteries
birds are singing in the trees
summer is our favourite time
when the sun begins to shine
begins to shine, to shine

Every day is something new -huhuhuhuhu
waking up to a different view -huhuhuhuhu
driving down a brand new road -huhuhuhuhu
put the gear in cruising mode

Instrumental and whistle

Winter is a special time
snuggled up so sublime
snowy mountains what a scene
absolutely wunderschön
wunderschön so schön

Living in a rolling home -huhuhuhuhu
driving where we want to go -huhuhuhuhu
if we like it we might stay -huhuhuhuhu
we don't want it any other way
