

GO BY YOUR FEELING

WORDS AND MUSIC BY STEFANIE STEVEN 2018

Life's a journey, most of the time
everybody's searching for things that are hard to find,
hard to find, hm hm

Life ain't easy, for most of you
and it starts early, by making the choice
what you want to do , hm hm

Bridge:
Why do you run around, (why oh why)
like headless chickens, (why oh why)
just use your head and think about (why oh why)
is there another way (and you might find that)

Ref. 1:
Life is easy if you know how to let go
two steps forwards
and one more to go ,(one more to go, one more to go) hm hm

Bridge:
Let go of all your baggage, that you picked up in life (do it now)
start cleaning up your closet and make some room for
new adventures

Ref.3:

Less is best - I know that now	(less is best , I know that now)
nothing to worry about - when you let go	(when you let go)
living a simple life - is full of joy	(full of joy)
just go by your feeling - you will be save	(dada dadada da dada dadada...)
and you will see	

Bridge:
The more you let go, the lighter it gets
yes it's easy for me 'cause I've taken the steps
and if you want the same, you can follow this path
so whatever you do make the change and
let it last forever

Ref. 4:
Life is easy, now you know
and it's your life, don't waste any time
choose your path and gohm hm

Go by your feeling - 4x
you will be safe
