

TIME IS RIGHT

WORDS & MUSIC BY STEFANIE STEVEN 2018

Verse 1

Let me tell you this a little truth about myself, I fell in love so often in my life
But something wasn't right I always kept an open door,
Cause I feared I might miss out on something more
Yes I never really felt the way that I experience with you, And now I know what true love is
and that's why I say ...

Chorus

I never had this feeling in my life
I know it's real I want you by my side
Baby let me share with you, and make our dreams come true
The time is right you know that I love you

Bridge

Yes I never really felt the way that I experience with you,
And now I know what true love is that's why I say

Chorus

I never had this feeling in my life
I know it's real I want you by my side
Baby let me share with you, and make our dreams come true
The time is right you know that I love you.

The time is right you know that I love you.
