

# FEEL THE BEAT

WORDS & MUSIC BY STEFANIE STEVEN 2017

Yeah.....come feel the rhythm come feel the beat babe  
come feel the rhythm feel the rhythm babe, come fee the beat  
tonight we're gonna party

1, 2, 3, start the conga

The music starts to play and the rhythm goes it's way  
oh can't you feel the beat, start to move and dance your feet

and when the bass begins to groove  
the only choice you've got is move  
move, move ,move

feel the rhythm babe

keep on grooving  
keep on moving  
yeah, oh yeah

1, 2  
Come feel the beat babe get on your feet babe  
Come on and let it take control of you  
Come feel the beat babe get on your feet babe  
Come on and let it ease your mind and soul
