gen-i Client Party

Thank you

Just a quick note to say *"thank you very much"* for the awesome performance at our Client Party last Thursday night. Your band really came to the party (so to speak) on the night. Not only did your array of lively up beat music work into our Mardi Gras theme well, but so did the choice of clothing that each band member wore. I especially liked Steffi's wig changes, which added a fun feel to the occasion.

The future

After experiencing "Time Out" in action, I am confident that they have the experience and variety to accommodate any type of event, from a ragey party to a tasteful cocktail evening. I would certainly like to employ your talents again in the future.

Reference

Should you ever require one, I would be happy to give a verbal reference at anytime in the future. My contact details are above.

Yours sincerely
